Privacy Policy

TOV KOLONTU EIT has developed the NetTurn application as a free product, provided at no cost and intended for use “as is.” This Privacy Policy explains how we collect, use, and protect your personal information when you interact with the app. By using NetTurn , you agree to the practices described in this document. Any personal data we gather is used only to operate, maintain, and improve the app. We do not share your personal information with third parties, except as outlined below. Capitalized terms not otherwise defined here carry the meanings set out in our Terms and Conditions, available within the NetTurn app.

Information We Collect and How It’s Used

To provide and enhance app features, we may request certain personally identifiable information. Any such details are collected in accordance with this Policy. Additionally, the app may integrate third-party services that independently gather and process data. For example, the app uses:

- Google Play Services

Log Data

If the app experiences an error, we may collect technical information such as your device’s IP address, model, operating system version, app configuration at the time of the issue, timestamps, and other diagnostic details through third-party analytics tools. This “Log Data” helps us identify and resolve problems.

Cookies

Cookies are small files stored on your device by websites or services. While the app itself does not directly use cookies, certain integrated third-party tools may rely on them for analytics or performance optimization. You can manage or disable cookies through your browser settings. Please note that doing so may affect some app functionality.

Third-Party Service Providers

We may work with third-party companies to:

- Deliver the Service

- Perform services on our behalf
- Ensure smooth app functionality
- Monitor and analyze usage

These providers receive only the data necessary to fulfill their tasks. They are contractually obligated to protect your information and are prohibited from using it for other purposes.

Security

We take industry-standard measures to safeguard your personal information. However, please remember that no method of transmission or storage over the internet can be guaranteed as completely secure.

Links to Other Websites

The app may contain links to external websites or services that are not operated by us. If you access a third-party site, please review its privacy policy. We are not responsible for their practices, content, or data handling.

Children's Privacy

Our app is not intended for children under 13 years of age, and we do not knowingly collect their personal data. If we become aware that such data has been shared with us, we will delete it immediately. Parents or guardians who believe their child may have provided personal information should contact us right away.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. We recommend reviewing this page periodically to stay informed of any updates. Changes become effective immediately after they are posted.
Effective Date: November 17, 2025
