

Hot Chocolate

By Kathryn Roach

We all like hot chocolate on a cold and wintry day.

We hold our warm and cozy mugs
and then we all will say.

“Hooray for hot chocolate! We like it the best.

Hot chocolate with marshmallows is just
about the best!”

*Place mugs on felt board and count to 10

*Play Which one is Missing? By having kiddos cover/close their eyes and you remove one of the mugs. Say, “ Open your eyes!” and let the kiddos figure out which one is missing! This is always a fun game!

I Like Hot Chocolate!

I’m so chilly, I want to warm up!
Please give me hot chocolate in a red cup!

*Repeat rhyme and change the color. Kiddos bring up the color cup that you name.
