

Dear Amtgard: Circle of Monarchs,

My name is Dusty Marshall and a few of you know me as Smiley within Amtgard. This letter is to formally announce that I am interested in continuing to serve on one of the two seats opening currently on the AIBoD. Before I get into my qualifications let me tell you of myself in our game a bit. I have played Amtgard for over twenty four years. In that time, I have resided in the Kingdom of the Golden Plains, The Kingdom of the Emerald Hills and the Kingdom of the Burning Lands. As many of you I have traveled much over the years to many of our events and have found my time in this game has helped me grow and make friends all across the United States and even into Canada. This game is a hobby that not only I have come to love, but one that now involves my own family. It is with humility that I ask to have the opportunity to continue to serve our game and its player base through the AIBoD.

I will list my qualifications starting in a real world (mundane) sense then list qualifications I have within our game. They will be set in a bullet point fashion simply to save on time here. If there are any questions about any of these positions I've held please reach out to me and ask.
