Water Sort: Prism Flow

This Privacy Policy explains how data is collected, used, and protected when you play Water Sort: Prism Flow (the “Game”).

We respect your privacy and are committed to handling your data responsibly in accordance with Google Play’s Developer Program Policies.

1. Information We Collect

We only collect minimal data necessary to provide and improve the Game.

a. Technical and Device Data

We may collect non-personal data such as device type, operating system, gameplay activity, and crash reports to ensure the Game runs smoothly.

b. Advertising and Analytics

We may use trusted third-party services, such as advertising networks and analytics providers, which may collect identifiers and usage data to deliver personalized ads and measure engagement.

2. How We Use the Data

To improve gameplay performance and stability

To provide relevant advertisements

To analyze player behavior and optimize game features

3. Children’s Privacy

We do not knowingly collect personal information from children. If such data is discovered, it will be deleted.

4. Data Security

We use reasonable measures to protect collected data against unauthorized access, misuse, or disclosure.

5. Third-Party Services

Our Game may include features provided by third-party services. Please review their privacy policies for more information on how they handle data.

6. Policy Updates

This Privacy Policy may be updated periodically. Continued use of the Game after any changes indicates acceptance of the updated terms.
