

Kit Policy

Training:

All training kit should be compliant with club safety policies.

Close fitting; loose clothing can become caught on slides / wheels of seats / trap hands at the finish.

No open pockets (zipped closed pockets on close fitting garments are ok as long as thumbs can't become trapped.)

No hoods (re safety on capsizes).

Long hair should always be tied back.

Weather:

Multiple layers recommended

Wicking sports fabrics recommended

Waterproof splash jackets highly recommended

Hats strongly recommended

Sunglasses essential (due to glare of sun off water causing corneal and retinal damage)

'Pogies' recommended for very cold weather (as a glove that hands and the end of the blade can fit into). Gloves are not recommended to row in.

Coxing:

Life jackets must be worn at every outing; located inside the college boathouse.

Coxswain in bow-loaders must not wear self inflating life-jackets.

Do not wear wellies as this could impede your exit from the boat.

Additional club kit available to order:

Hoodies / sweatshirts (sweatshirts can be used for training not hoodies as above).

Loones - 'lounges' pants (aka tartan pj bottoms!)

Long sleeve and short sleeve training tops

Splash jackets

Racing:

All competitors are required to race in club colours.
