

Fatui Officer Commission Info

~ General Info ~

Contact me via Twitter DM ([@FatuiOfficer](https://twitter.com/FatuiOfficer)) or E-mail (fatuiofficer@gmail.com) to discuss your commission request.

My standard rate is \$1.50 for every 100 words. Minimum length is 400 words for \$6 or 2 [Ko-Fi](#).

Maximum length is around 8000 words per chapter, but you can commission multiple chapters if I think I can write that much for it.

Story length will always be variable based on how much material there is for the idea - more characters, more complex ideas and plots require more words.

All commissioners will be anonymous and all commissioned stories will be posted on my Ao3 by default. If you want a fic gifted to someone, no problem. If you want a fic to be kept private and not published on my Ao3 account, there will be a 30% surcharge (only applies to fics of 1000 words or more).

Tell me what you want! The more details the better, but at a bare minimum I need to know the characters, their relationship, and the tone of the piece you want. I'm happy to write plot, angst, fluff, porn-with-plot, porn-without-plot, and a long list of kinks.

Let me know what length you want, and what your budget is, so I can make sure the finished work doesn't run over it.

I reserve the right to reject any commission for any reason, however if I reject your commission, it's usually because I don't think I can do a good job writing it. You're very welcome (and encouraged!) to pitch me other prompts.

~ Process/Payment ~

Contact me via Twitter DM ([@FatuiOfficer](https://twitter.com/FatuiOfficer)) or E-mail (fatuiofficer@gmail.com) to discuss your request.

Once payment is made, I'll start working on the commission. It may take anywhere up to a month. Sales are final, returns will only be issued in the event that I'm unable to complete the work, or it takes longer than a month and the commissioner wishes to cancel.

Payment via Paypal, I'll charge \$1.50 per 100 words rounded down (e.g. if you ask me for 1200 words and I write 1289 words, you'll only pay for 1200 words). For shorter commissions, or prices divisible by 3, you can also pay via [Ko-Fi](#).

~ What I will & won't write ~

Fandoms: Genshin Impact only right now, and original work.

I will write reader inserts and OCs, but only one OC per fic (unless it's entirely original work not fandom). You'll need to provide enough references for an OC, and a flat research fee of \$10 applies.

This is because I have a high standard for my finished works and ensuring I understand an OC well enough to write them authentically is more challenging,

I only write MxF, particularly male dom/female sub, or equal power dynamics. I'll write any Genshin ship that meets that criteria and doesn't feature anything from my banned list.

I am best at snarky banter, dark themes, non-con, con-non-con, dubcon, angst, BDSM, fight scenes and dramatic plots, but I can write romance, fluff, and lighter content.

I will write:

- Male Dom/Female Sub
- Age Gaps
- Gaslighting
- Abuse
- Manipulation
- Coercion
- Bondage
- Roleplay
- Somnophilia
- Drugging
- Hypnotism / Brainwashing
- Electrocutation
- Temperature Play
- Knife Play / Gun Play
- Blood Play / Vampirism
- Biting / Marking
- Daddy Kink
- Foul Legacy Child
- Dragon Zhongli
- Non-Con including Violent Non-Con
- Consensual Non-Con
- Major and Minor Character Death
- Violence (but not gore)
- Torture
- Snuff
- Breathplay / Asphyxiation / Choking
- Sadism / Pain Play

- Pet Play
- Anal / Oral / Vaginal sex
- Limited Underage (15 is the lowest I'll go)
- Incest
- Degradation
- Public Use
- Forced Prostitution
- Forced Incest
- Bestiality
- Most AUs
- Limited Breeding Kink (ask me about it)
- Very Limited Cannibalism (ask me about it)
- Threesomes and Gangbangs, as long as it's multiple men on female characters.

I won't write:

- Femdom
- Male Subs/Switches
- Lolicon/Shotacon
- Futanari
- Vore (except for **very** limited cannibalism)
- Scat
- Diapers / Adult Baby

If it's not on the list, ask me!
