

H.E.S. ACT in 1 Day Vocabulary Strategies and ACT Practice

Highlighting Explanation - Yellow: strategies. Blue: examples. Green: process.

Pre-test Vocabulary Strategies:

1. Read a variety of texts (genres, levels, topics).
2. Study the [H.E.S. ACT Vocabulary List](#) - **If you've been invited to vocabulary.com, don't click this link.**
3. Study the ACT Terms Lists:
 - i. [Science Terms](#)
 - ii. [Math Terms](#)

Test-taking Vocabulary Strategies

Note: **CCC + PPP** = Consider Context & Connotation + Paraphrase; Predict, and Plug in.

1. **Consider** the **context** and the **connotation** (meaning in the sentence, not the dictionary) of the word
2. **Paraphrase** the word or phrase. **Predict** the meaning. **Plug** the answers into the paraphrase / sentence.

Practice: [ACT Practice](#): **Do #2 Practice Passages for each category.**

| # | English #2 / Strategy? | Math #2 / Strategy? | Reading #2 / Strategy? | Science #2 / Strategy? |
|----|------------------------|---------------------|------------------------|------------------------|
