VIPB0nus3 (Cloud-Based App): Social Ecom Store (Value \$1192)

Social Ecom Store is cloud-based software. It will change everything with your eCom store. You will easily make a profit from social media marketing or e-commerce.

Unlike Shopify or Bigecomere, this software does not require complicated installation steps or high monthly fees.

As far as I know, Social Ecom Store has automatically installed the monthly billing system whether you are profitable or not. This is really sad news for ecom owners. And the worst part I see is that after a while they will stop some features of the store and force us to upgrade to continue using them.

But Social Ecom Store has appeared to help you have a new path. You can save thousands of dollars with Social Ecom Store's coupons. You will get a high-converting and easy-to-profit store with the usual images posted on stores on social media.

VIPB0nus4 (Cloud-Based App): VideoAdsPro (Value \$1348)

VideoAdsPro is a ground-breaking software that offers you a chance to create high-quality videos for any product or service

available out there without breaking a sweat! Are you wondering how? Well, the tool comes with a one-of-a-kind technology that can pull contents from top eCommerce sites before rendering them into a highly-converting video on its own! Isn't this great?

And this is not even the beginning of what VideoAdsPro may offer you! It even comes along with highly-converting templates as well as a built-in editor tool in case you want to do things the old way. You want extra contents like music and texts? The tool will also give them to you! In short, whatever you need, as long as it involves video building, VideoAdsPro will be there to help you out.

VIPB0nus5(Cloud-Based App): LockFit (Value \$997/year)

This cloud-based app will help you build an email list, FB messenger list or both. Create a seamless way for your prospects to opt-in to either your email or Messenger subscriber list while they're consuming your content (instead of before, or after).

Picture leveraging every blog post, eBook, PDF and video you ever create in a way that gives your audience value and benefits your business at the same time...

VIPB0nus6: FB Audience Builder (Value \$1264)

It also comes with a

Paypal and Stripe payment gateway so that your users can purchase benefits from your website.

VIPB0nus8: Pinbook (Value \$1598)

PinBook is a pretty cool application designed for brands those want to get more fans on their pages and boost users engagement while Increasing Pinterest followers by introducing your Facebook fans to your Pinterest boards.

Add a preview of your Pinterest Dashboard on your Facebook Page and share your discoveries, collections and projects with your fans. Easily track and export exactly how many fans are viewing and liking your Boards.

VIPB0nus9: Traffic Hover (Value \$1222)

This combines all of the web's most popular social services into one easy to use software plugin. Traffic Hover allows you to quickly and easily add hover-over social buttons to your images on-the-fly making them instantly "shareable" on Pinterest, Facebook, Twitter, and Google Plus.

Even better, the hover effects are silky smooth, cross browser, and come with multiple overlay images! More Shares = More Traffic = More \$\$\$\$

VIPB0nus10: Viral Source Review Pack (Value \$1382)

If you are doing business online, you would know how important list building is...for the simple fact that by having an email list to market to as an affiliate is one of the fastest ways of making online profits.

Viral Traffic is a software builds your list without using the traditional squeeze pages. This tool uses the power of social media and Facebook notification as the push factor to send messages to the subscribers.

It is a fact that the open rate of Facebook notification is way higher than emails....so your message gets seen by more subscribers than if you were to use email.

The first thing that impresses me when few tested driving this tool is that it was so easy to use. Though the process looks complicated, the dashboard of the tool makes it easy for you to prepare your campaign.

VIPB0nus11: Article List Builder

Easy To Use Software Builds Your List From Article Content In Just 3 Simple Steps! If you want to do email marketing, chances are you will do a lot of marketing stuffs to find the right audience to optin into your squeeze page.

Well, one of those amazing strategy that already generated results is called content marketing. And inside this product is a piece of amazing software called Article List Builder that is a huge help for you to get started.
