

Our Products

At **Bioprecis Ltd.**, we specialize in providing a wide portfolio of premium-quality ingredients that support health, wellness, and pharmaceutical innovation. Our offerings are tailored for nutraceutical, pharmaceutical, functional food, and beverage industries, meeting global compliance and quality standards.

We work directly with globally recognized, GMP- and ISO-certified manufacturers to ensure traceability, purity, and performance in every ingredient. Whether you are formulating a supplement, enhancing a food product, or innovating in health & wellness, our ingredient solutions are designed to meet your specific application needs.

M Product Categories:

1. Herbal Extracts

- Ashwagandha Extract
- Curcumin (Turmeric) Extract
- Green Tea Extract
- Ginseng
- Fenugreek Extract

These extracts are ideal for stress relief, anti-inflammatory benefits, metabolism boosting, and immunity enhancement. All extracts come with standardization, COA, and traceability to source.

2. Sweeteners (Natural & Artificial)

- Stevia (Reb-A)
- Sucralose
- Aspartame
- Monk Fruit Extract
- Acesulfame-K
- Xylitol, Erythritol, Maltitol, Sorbitol

Our sweeteners are suitable for diabetic-friendly, low-calorie, and clean-label product formulations. Ideal for beverages, protein powders, gummies, and functional syrups.

3. Amino Acids & Proteins

- L-Glutamine
- L-Leucine
- Creatine Monohydrate
- Whey Protein Concentrate & Isolate
- BCAAs

Used in performance nutrition, muscle recovery, and metabolic support products. Available in various mesh sizes and purity grades.

4. Vitamins & Nutritional Ingredients

- Vitamin C, D, B-complex
- Zinc, Magnesium, Calcium
- CoQ10, Biotin

We provide water- and oil-soluble grades with documentation support for regulatory filings and labeling.

5. Functional Ingredients

- Collagen Peptides
- Inulin (Prebiotic)
- Beta-Glucan
- Psyllium Husk

These support digestive health, anti-aging formulations, and gut wellness products. Custom packaging and blends available.

^N Packaging & Quality Compliance:

- Standard: Food-grade drums, HDPE jars, pouches
- Certifications: COA, MSDS, TDS, third-party lab test reports
- Custom labeling & bulk packaging available on request

^{II} Global Reach:

We supply to clients across India, USA, Europe, and the Middle East, with flexible logistics and regulatory support for export markets. Our supply chain ensures timely delivery, consistent quality, and scalability.

Our Services

Bioprecis Ltd. is not just an ingredient supplier — we are your strategic sourcing and development partner in the health and wellness sector. Our services are designed to give manufacturers, formulators, and brand owners the flexibility, documentation, and supply reliability needed to scale their businesses confidently.

^M Core Services We Offer:

1. Custom Ingredient Sourcing & Formulation Support We connect you with globally certified factories (GMP, ISO, FSSAI) to provide exactly what your formulation needs. Be it a custom herbal blend, high-purity vitamin, or specific sweetener mesh size — we handle it.

2. Full Quality & Regulatory Support Our team ensures your product documentation is export-ready. We provide:

- Certificate of Analysis (COA)
- Material Safety Data Sheet (MSDS)
- Technical Data Sheets (TDS)
- Third-party lab reports (on request)

3. Packaging & Private Labelling From bulk drums to single-serve sachets, we support customized packaging solutions that suit your retail or B2B goals. We also offer white-label services for nutraceutical brands.

4. Global Export & Logistics With operations aligned across India, the USA, and Middle East regions, we offer fast logistics and compliance documentation. Choose from air, sea, or courier shipments with flexible MOQs and scalable volumes.

5. Advisory & Product Development Planning to launch a new wellness product? Our team can guide you in selecting the right ingredients, formulation partners, and market positioning.

ⁿ Who We Serve:

- Nutraceutical & Functional Food Companies
- Ayurvedic and Herbal Brands
- Contract Manufacturers
- Direct-to-Consumer Wellness Startups

We bring reliability, speed, and flexibility to every engagement.

ⁱ Why Choose Bioprecis Ltd.?

- Global Sourcing with Local Support
- Proven Supply Chain & Timely Delivery
- Competitive Pricing without Compromise
- Clean, Tested & Documented Ingredients
