### **Please read the following reminders carefully:**

**Fee: \$100** (this is for facility usage only; you should make separate arrangements for paying lifeguards)

**Rules:** Members who host private pool parties are advised that the normal pool rules are also in force for private parties. Please pay particular attention to the following reminders:

- Glass and food are NEVER allowed in the fenced area of the pool.
- Rules regarding weight limits and proper use of the slide and the diving board are posted at the pool and these rules are to be followed at all times.
- At the conclusion of the party, the party host is responsible for cleaning up trash and restoring the furniture to its proper place. It is not the lifeguard's responsibility to perform these tasks.
- If a party host does not ensure that all of the rules of the use of the pool are observed, the board of directors will, after a proper meeting with the offending party/parties, suspend the member's rights and privileges for the remaining portion of the year in which the violations occur.

Riverside Park Recreation Association assumes no responsibility or liability for members or their guests, and members and their guests can make no claim against the Association for accident or injury to any person, or for damage or loss of their property.

**Acknowledgement:** My signature below verifies that I understand these provisions and will abide by all rules of the Association and that I have hired a certified and accredited Lifeguard. I also understand that it is my responsibility to clean up the area immediately following my party. I have read all of the foregoing statement and acknowledge that I understand that failure to abide by the rules of Riverside Park Recreation Association governing use of the swimming pool and tennis court at private parties will result in a disciplinary hearing where my privileges to use the facilities of Riverside Park Recreation Association may be suspended for the rest of the year in which the violation/violations occur.
