👋About Us

Linfo.ai is a cutting-edge Chrome extension that simplifies consuming information by summarizing essential points from long articles and videos. Linfo AI effectively extracts key contents from complicated resources. We not only save time but also ensure that you grasp the primary highlights of any content quickly. Whether for academic study, business analysis, or personal development, Linfo.ai is the ideal helper for staying ahead in a fast-paced world.

✨Influencer Affiliate Program

We are looking for influential, tech-savvy individuals who want to raise awareness and boost profits. Linfo.ai provides a unique opportunity for influencers to work with us, promote our innovative Chrome extension, and earn a consistent, high-rate commission on each transaction they refer customers to.

💓Creator that we love to work with

If you are:

- A creator who has an audience composed of students (university, master, and PhD students)
- Enthusiastic about AI tools and the future.
- Focused on enhancing productivity in areas such as work and personal development.

We very much welcome you to join us!!

💰Program Benefits

Commission rates: One-time **75%** commission (up to $30) for each paid user you get.

Special offers: Get **20%** discount coupons for your fans and get **free** access to our product after you have posted your videos!

*To ensure transparency and reliability in our affiliate program, all commission payments are processed through Rewardful, a trusted third-party platform. This arrangement guarantees that every contribution you make is acknowledged and rewarded accurately. You can sign up and track your earnings at Rewardful.

💫Suggested Talking Points

1. You can access Linfo.ai via both Google Extension and the Website conveniently. Summarize key points from PDFs, web content, and YouTube videos.

2. Linfo.ai can quickly extract key points from YouTube videos longer than 2 hours, saving you time and helping you quickly delve into the content that you are interested in.

3. You'll receive a structured summary, and well-organized mindmap that features a 3-level hierarchy: main idea, sub-header, and bullet-point takeaways.

4. Linfo.ai offers a mindmap/outline view switch feature, allowing you to easily toggle between a visual mindmap and a structured outline for optimal understanding.

5. You can customize the content hierarchy with Linfo.ai to suit your reading preferences. Dive into the parts that interest you most with deeper and more detailed bullet takeaways.

6. Linfo.ai provides reference takeaways back to the content. Click on the bullet points in the takeaways to jump directly back to the source of the insights in the original content.

- Encourage viewers to use your coupon code for special discounts!

⛔Don'ts
- Refer to any competitors by name.
- Miss the key features of Linfo.ai.

🚫Restrictions

Affiliates are strictly prohibited from using branded keywords in any form on social media platforms. This includes, but is not limited to, hashtags, profile names, posts, comments, and advertisements. Direct linking on advertising platforms such as Google ads is not allowed and you will not be credited. Brand name bidding is not allowed. **Google Ads are not allowed.**

We understand that social media is a powerful tool for promotion and outreach. However, to avoid brand dilution and potential conflicts with our direct marketing efforts, we require all affiliates to adhere to this policy. **Violations of this guideline will result in the suspension or termination of your affiliate status and the retraction of commissions. We have a zero-tolerance policy if you do not follow our rules.**
