

Abbie Supporters,

We are officially in the final stretch before the August 4 primary, and we need your help reaching more voters across Senate District 29.

Will you be an **Ambassador for Abbie** by connecting with five people in the district right now? Think of friends, family members, neighbors, coworkers, or anyone who may still be deciding which candidate to support, or who may need a reminder to vote in the primary. In a race like this, every conversation and every vote can make a difference.

Not sure whether someone lives in the district? You can view the Senate District 29 map here:

https://senate.michigan.gov/images/maps/linden_senate-29.pdf

We included a message below that you can easily copy and paste. Please feel free to personalize it and share why you are supporting Abbie in your own words. A message from someone they know and trust is one of the most powerful ways to reach a voter.

You are the power behind Abbie's campaign! Thank you for helping us grow our reach, five conversations at a time.

Team Abbie

Message to send:

Hi! In our district, the seat for Michigan Senate is likely decided on August 4th, so don't forget to vote in the primary!

I'm voting for Abbie Groff-Blaszak because she listens, works hard, and has the courage to represent people well. She is running a people-powered campaign focused on strong public schools, affordable housing, good-paying jobs, protecting our environment, accessible health care, and civil rights.

I hope you'll join me in voting for Abbie on August 4! I'm happy to answer any questions, and I'd be grateful if you shared her name with a few people in your network too.
