

# EMILY FORD

## Introduction

Please welcome our keynote speaker, a transformational entrepreneur who built a nine-figure sales organization by the age of 26. Her entrepreneurial journey began 13+ years ago with no business background and now she runs a thriving sales organization while inspiring her followers across social media. As the founder of FORDIVINE, she coaches and teaches people how to elevate their brand, boost their confidence, and build a lasting legacy. Emily has spoken on some of the world's largest stages with greats such as Tony Robbins and has taught executive leadership teams on "Leaders Who Have IT." Featured on Good Morning America, Forbes, and other major publications, Emily's transformative methods have helped over a million people find and implement their unique talents for massive influence. Get ready to be inspired and please join me in welcoming the incredible Emily Ford!
