

Rising Star

The rising star is a woman who has recently embarked upon their journey in the tech sector. No matter the route into the industry, this individual is someone who is bringing fresh perspectives, different experiences and challenging norms in their role or within the community. This award shines a light on those who go above and beyond and spotlights their potential to be a future inspirational leader in the tech industry.

Community Trailblazer

Building communities is hard! This award celebrates the efforts of someone who brings people together and creates genuine connections in our tech community. Whether this is online or in-person, this person demonstrates exceptional commitment to building a thriving and inclusive community. They're the helping hand, friendly face and foster a sense of belonging in the tech sector.

Diversity Advocate

This award is for a person who is constantly pushing for equity within the tech industry. They recognise the imbalance in the sector and are champions for initiatives that support inclusivity, equity and diversity for a sustainable future. We celebrate diversity and the hard work this activist puts in to improve the industry for future generations.

Technical Excellence

We work hard and code even harder. This award recognises the developers and engineers that bring innovation, creativity and intelligent solutions to their work. They play a vital role as part of, or leading a team and deliver technical solutions that have real impact. This person drives projects forward and is an inspiration to other developers.

Female Founder

The Female Founder award celebrates women in a start-up or scale-up environment. They are the spearhead of their company, who fosters innovation and continual growth. This is someone who is an industry disruptor who displays grit and determination and has true belief in their product and business, changing people's lives for the better.

Outstanding Leadership

The Outstanding Leadership award is for an exemplary female leader, who has demonstrated significant leadership skills that make an impact. They constantly seek to improve, uplift others and recognise opportunities for others to thrive. This outstanding leader makes everyone want to be their best self and has the respect of those around them. Without this leader, a team wouldn't be the same.
