

Student Intent to Return 2024-2025

Hello Oregon Charter Academy Families,

We are excited to open our annual *Intent to Return* (ITR) process for the 2024-25 school year. This process is important for our budgeting and planning for next school year so we appreciate your prompt responses. ITR is open until May 1, 2024.

[Click here](#) to access your ITR process. There are three ways you can answer. Please respond with your intent to return via that link. The three ways you can answer are:

1. **Yes** — By answering yes, you are sharing that you plan to return to Oregon Charter Academy next school year. Answering yes allows us to better prepare for a smooth transition into next year.
2. **No** — We recommend only answering no if you are sure you will not return next year. While you can always change your mind and join us for the 2024-25 school year, you would have to restart the enrollment process rather than complete only the returning student process.
3. **Undecided** — We understand that many factors impact what school is the best decision for your family. If you are undecided, talk to your homeroom or advisory teacher, as we are here to support you in whatever is best for your family.

During the ITR process, we will be asking you to fill in some basic information. This process should take you less than five minutes to complete.

If you have any questions regarding this process, please do not hesitate to reach out to your student's homeroom/advisory teacher or your grade level administrator, or you can call **503-217-4334**.

If you need access to any resources to make the most informed decision, please check out the following:
