ERA 4.14
BB% .082
K% .196

NATIONAL--

ERA 4.02
BB% .080
K% .217

I have eliminated all intentional walks from batters and pitchers.
That is why the league BB% seems lower than usual.

Please let me know if I missed any players or have
any stats listed incorrectly.

PITCHERS (please check if I missed any CGs for starters)

N—this designation means that I do not play on making this card.
If this player is on your team and you wish a card to be made please
Let me know by May 5
