

Privacy Policy

At PDF Converter: Photo Scanner, your privacy is of utmost importance to us. This Privacy Policy explains how we collect, use, and protect your personal information when you use the App. By using the App, you consent to the practices described in this policy.

Information We Collect

Personal Information: We do not collect personal information, such as your name, email address, or payment details, unless you voluntarily provide it during in-app purchases or when creating an account.

Usage Data: We may collect information about how you use the App, including device type, operating system, and app usage statistics. This data helps us improve the App's functionality and user experience.

Files and Documents: The App allows you to convert files, such as images and documents. We do not store or share your files; they are processed locally on your device.

How We Use Your Information

To process your requests and provide you with the services offered by the App.

To improve the App and deliver better services based on user feedback and usage patterns.

For billing and subscription management if you purchase premium features.

Data Security

We take appropriate security measures to protect your data. However, no method of transmission or storage over the internet is entirely secure, and we cannot guarantee absolute security.

Third-Party Services

The App may contain links to third-party websites or services. We are not responsible for the privacy practices or content of those sites and encourage you to review their privacy policies.

Data Retention

We do not store your personal data, and all files processed by the App are deleted after conversion.

If you choose to sign up for a subscription, we may retain certain billing and subscription-related information for the duration of your subscription.

Your Rights

You have the right to access, update, or delete any personal information we may collect. You can also request that we stop processing your data.

If you have any questions or concerns about your data, you can contact us at [insert contact information].

Children's Privacy

The App is not intended for children under the age of 13, and we do not knowingly collect personal information from children. If you believe we have inadvertently collected such data, please contact us to have it removed.

Changes to This Policy

We may update this Privacy Policy from time to time. Any changes will be posted in this document, and the updated policy will be effective as soon as they are posted.

Contact Information

For any questions regarding this Privacy Policy, please contact the developer:
