PERFORMANCE HANDBOOK

A Quick Guide to Our Holiday & Spring Shows — 2026–2027 Season

Whether it's your dancer's first time on stage or their final bow, our performances are a big part of the Studio Dee experience — full of fun, friendship, and growth!

Why Performances Matter

Performing builds confidence, teamwork, and pride. It helps dancers grow — on stage and in life. We treat every show like a celebration of progress, not perfection.
