

Sports Premium Strategy Statement

Milton Park Primary School

Academic Year 2022-2023

What is Sports Premium?

In March 2013 the government announced it was to provide additional funding to improve the provision of physical education and sport in primary schools in England. This has become known as the sports premium funding. The government has committed to providing this funding for schools originally until 2020. This has recently been continued and is reviewed annually.
