

Pre-K Prep Camp

Is your little one ready for the exciting adventure of Pre-K? Our summer camp is designed to make the transition smooth and fun! Through engaging activities and play-based learning, we'll help your child develop essential skills and build confidence for their upcoming school year.

Camp Description:

Our camp focuses on creating a positive and supportive learning environment where children can explore, discover, and grow. We'll cover key areas that are crucial for Pre-K success, including:

- Social-Emotional Development: Learning to share, cooperate, take turns, and resolve conflicts peacefully. We'll practice listening skills, following directions, and building positive relationships with peers and adults. These skills are foundational for a successful classroom experience.
- Early Literacy: Developing pre-reading skills through storytelling, rhyming games, recognizing letters and sounds, and exploring books. We'll encourage a love of reading and build a strong foundation for future literacy development.
- Early Math Concepts: Introducing basic math concepts like counting, number recognition, shapes, patterns, and simple problem-solving through hands-on activities and games.
- Fine Motor Skills: Strengthening hand-eye coordination and dexterity through activities like writing, drawing, cutting, gluing, and manipulating small objects. These skills are essential for handwriting and other classroom tasks.
- Gross Motor Skills: Developing coordination, balance, and large muscle control through active games, open play, and movement activities.
- Creative Expression: Encouraging imagination and self-expression through art, music, dramatic play, and storytelling. We'll foster creativity and build confidence.
- Following Directions & Classroom Routines: Practice following multi-step instructions and participating in typical classroom routines like circle time, snack time, and clean-up time. This will help children adjust to the structure of a Pre-K classroom.

Daily Schedule:
1:00-1:30 Drop off and open play
1:30-1:45 Circle Time
1:45-2:00 Snack Time
2:00-2:30 Story Time
2:30-3:30 Focused Learning Activity (Letters, Shapes, Numbers)
3:30-4:00 Open Play
4:00 Pick up
