

This page informs you of our policies about how we protect your privacy. Your privacy is always important to us.

By using the Service, you agree to the collection and use of information in accordance with this policy. Unless otherwise defined in this Privacy Policy, terms used in this Privacy Policy have the same meanings as in our Terms and Conditions.

Information Collection And Use

1. Collect None of Your Personal Information

We will not collect any of your personal information while you use our Service. Personally identifiable information may include, but is not limited to, user name, home address, telephone, email address etc ("Personal Information"). We will not collect this information for any purpose.

2. Automatically Collected Information

Usage and Log Information. We collect service-related, diagnostic, and performance information. This includes information about your activity (such as

how you use our services), log files, and diagnostic, crash, and performance logs and reports.

Device Permissions

This app does not analyze or collect any private or image related data on your device, nor does the app send any of this data to web servers.

Please note that we do not take any information, photos or other content from your device. We do not collect, store your data in our servers; we do not share your data with any third parties.

1. Photo Album Permission

For full access of our functions and adequate performance of the app, we need your authorization to access your Photo Album, then you can apply effects/filters to your photos/videos. Only if you confirm the permission, will we gain access to your camera and album. You can also disable such access permission in settings of your phone if you do not think it's necessary.

2. Storage Permission

Used for accessing shared external storage. You can save/share your edited videos.

3. iTunes Permission

This allows you to choose background music from media library for your videos.

Third-party Disclosure

We do not store any Personal Information on our servers; we do not share any user information with any third parties; we do not sell or otherwise market your Personal Data to third parties.

Customer Support

You may provide us with information related to your use of our services and how to contact you, so we can provide you customer support. For example, you may send us an email with information relating to our app performance or other issues.

Security

The security of your Personal Information is important to us, and we strive to implement and maintain reasonable, commercially acceptable security procedures and practices appropriate to the nature of the information we store, in order to protect it from unauthorized access, destruction, use, modification, or disclosure.

However, please be aware that no method of transmission over the internet, or method of electronic storage is 100% secure and we are unable to guarantee the absolute security of your information.

Changes To This Privacy Policy

We reserve the right to update or change our Privacy Policy at any time and you should check this Privacy Policy periodically. Your continued use of the Service after we post any modifications to the Privacy Policy on this page will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Privacy Policy.

If we make any material changes to this Privacy Policy, we will notify you either through the email address you have provided us, or by placing a prominent notice on this page.

Contact Us
