2026-2027 11th Grade Course Selection Contract**

SDUHSD COURSE SELECTION GUIDELINES:

- Give careful consideration to the selections that you make now as these choices will determine your 2026-2027 schedule. Review the [Course Profiles](#) to make thoughtful, informed choices.
- Students whose Home School is an Academy (CCA or SDA) must select between 3-4 classes each term for a total of 6-8 classes per year. Students whose Home School is a Semester School (LCC, Sunset, and TPHS) must select between 5-7 classes per year. * If an unscheduled period is selected, no class or teacher will be assigned and no attendance will be taken. The only way to indicate that a student is requesting not to have a class during a specific period or term is to request an unscheduled period.
- Students are requesting classes only, not teachers or periods. No schedule changes will be made to accommodate any off-campus, extracurricular, or athletic activities. For Academy (CCA or SDA) students, enter your preferred term, but it is not guaranteed.
- Courses may be canceled due to unforeseen changes or revisions in Edgenuity offerings.
- SDUHSD Board Policy sets a limit at the beginning of each quarter/semester to add or drop a class without it reflecting on the transcript. Level changes (ex. from honors) may be requested during this period only if there is space available. The window for adding or dropping a class will be in alignment with the student's Home School add/drop deadlines.
- Eligible students may apply for [Independent Study Physical Education* \(ISPE\)](#) at sduhsd.net. All Grade 10-12 students must have taken the CA fitness test before they will be approved for ISPE. **If a student is approved, the student will not be assigned to a class or teacher that period and no attendance will be taken.**
- 30 credits maximum from approved off-campus coursework can be applied to graduation requirements and coursework will **only** be added to a student's transcript if the course is pre-approved before the student enrolls in the course.
- Students will be able to view their 2026-2027 class schedules in the Aeries Portal in August. Required schedule changes will be made for students who failed a course or completed a pre-approved off-campus summer class

**Legislation passed by the State of California requires parent permission for students to enroll in a course without educational content. If your student, with consultation from school staff, has chosen to add a class without educational content to their schedule - by signing below, the parent/educational rights holder consents to this course schedule, understands that the student is enrolling in a course without educational content and that the pupil is not being assigned to a period without educational content because there are not sufficient curricular offerings for the pupil to take during the relevant period of the designated school day.*

Required signatures below confirm that both the student and parent/educational rights holder have read and understand the Course Selection Guidelines and agree to the course selections.

San Dieguito Union High School District policy prohibits, at any district school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, targeted at any student by anyone, based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, reproductive health decision making, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, veteran or military status, or association with a person or group with one or more of these actual or perceived characteristics.
