LAZLO GOODLOVE: "Welcome back to the Birthday Bash! It's Night Three and what a show we have for you tonight!"

SYDNEY VAHLE: "In a night where the Ethereal Championship is decided, the champion Saylor Stanhouse takes on best friends Dulce Desjardins and Chantal Monroe in a triple threat! Can the best friends survive and one of them get the gold? Or will Saylor come out on top?"

LAZLO GOODLOVE: "And in our opening, Brenda Devlin makes her debut teaming with the also debuting Avalon Vega to take on two of the members of the Lost Girls, Koriand'r and Cosima Violet and that's... right now!"

OPENING CONTEST:
BRENDA DEVLIN & AVALON VEGA VS. KORIAND'R & COSIMA VIOLET

The powerful tandem of Avalon Vega and the devious Brenda Devlin squared off against the sisterly duo of Cosima and Koriand'r. The anticipation was palpable as the teams prepared to showcase their skills and create an explosive start to the event.

Right from the opening bell, the match became a collision of contrasting styles and personalities. Avalon Vega, known for her sheer strength and dominance, charged forward with unstoppable force. However, in a remarkable display of teamwork, Cosima and Koriand'r used their agility and cunning to outsmart their formidable opponents.

As Avalon charged full speed towards the sisters, Cosima and Koriand'r swiftly sidestepped, causing Avalon to crash into the ring steps on the outside. The impact temporarily took Avalon out of the equation, leaving her vulnerable and giving Cosima and Koriand'r an advantage.

With Avalon incapacitated, Brenda Devlin had to rely on her own cunning and skills to tip the scales in her team's favor. Using her ring awareness and deceptive tactics, Brenda targeted Koriand'r, taking her out of the equation and neutralizing the sisterly duo's teamwork.

Now left to face Brenda alone, Cosima fought valiantly, engaging in a back-and-forth struggle. The match intensified as both competitors showcased their repertoire of moves and maneuvers, leaving the audience on the edge of their seats.

Avalon would come back into the ring and take one part of the team of Cosima and Koriand'r out of the ring with a spear, allowing Brenda to single out Cosima from here on.

In a climactic moment, Brenda executed her signature Face Off finishing maneuver, delivering a devastating blow that left Cosima reeling. Seizing the opportunity, Brenda capitalized on her advantage, swiftly pinning Cosima for the victory.

The festivities continued. Like something out of the Great Gatsby, people came in and out, dressed and undressed in all varying manners with drinks and cake in their hands. There were bikini battles, wrestling matches, and God knows what else going on, and in the midst of it Bindy Trent continued to do her best babysitting a variety of children. She held them off for a bit with activities and crafts, she was able to make balloon animals and perform a small handful of magic tricks as well.

But children were just a hair short of wild animals, and they could sense weakness. Blood was inching towards the water. The toddlers were crabby, needing naps but all screaming over each other, fighting for markers and stuffed animals. The older boy was still leering at Bindy, and the baby she could not find a real parent for had thrown up on her. She would have cried, but she could not let these monsters see her suffer.

Bindy: "Hey, kids! Kids!"

She cleared her throat, but it had no effect.

Bindy: "HEY!"

It was probably the sternest anyone would ever hear her voice in a long while, but her rope was wearing thin. She clapped her hands together to cut through the noise, and for a moment the screaming and whining stopped.

Bindy: "Who wants pizza?"

The 14 year old boy sneered and looked up from his phone.

Boy: "I don't eat delivery."

Bindy: “Okay, how about you eat a dick then?”

She couldn’t believe she just said that. Thank God this wasn’t a real job. The other kids seemed excited at least. They were starting to shout requests and orders at her. Bindy took out her phone to get some delivery going for them, just deciding to order two of everything and call it a day.

There was a table with snacks, sodas, and a bowl of punch for the kids to drink. A party go-er passing by had a full bottle of champagne in hand, which sparked an idea in Bindy’s mind. She took the bottle and took a healthy sip for herself.

Bindy: “Thanks!”

Before emptying the rest into the children’s drink.

Bindy: “Alright, who wants Jungle Juice?!”

NOELLE MAYFAIR VS. GUM

As the match commenced, Noelle wasted no time in showcasing her aggressive nature. With a ferocious demeanor, she relentlessly attacked Glum, delivering bone-crushing strikes and debilitating submissions. Noelle's villainous aura was on full display as she reveled in the pain she inflicted on her helpless opponent.

Glum, known for his unpredictable antics, attempted to use his unorthodox style to counter Noelle's aggression. He taunted her, relying on his agility and quickness to dodge her powerful strikes. But Noelle remained unfazed, her sinister grin widening with each failed attempt by Glum to gain the upper hand.

The clash between Noelle's dominance and Glum's clownish antics created an enthralling spectacle for the audience. The crowd was divided, some reveling in Noelle's villainy while others cheered for Glum's entertaining antics. The atmosphere was electric as the match reached its climax.

Noelle, with a sadistic glimmer in her eyes, unleashed a series of devastating maneuvers upon Glum. Suplexes, powerbombs, and spine-shattering slams rattled her opponent, leaving him gasping for breath. Glum's attempts to rally were met with brutal counters from Noelle, further solidifying her dominance in the ring.

Sensing victory within her grasp, Noelle toyed with Glum, prolonging his suffering for her own sadistic pleasure. She mocked him, taunting him with every move, reveling in the anguish etched on his face. The crowd's boos intensified as Noelle's villainous persona grew stronger with each passing moment.

Finally, with an explosive display of power, Noelle hoisted Glum up and executed her devastating finisher. The impact resonated throughout the arena, signaling the end of the match.

The referee's count echoed through the venue: "One! Two! Three!" The bell rang, cementing Noelle Mayfair's definitive victory over Glum in their fierce feud. The crowd erupted in a mix of shock, awe, and disdain, unable to deny Noelle's dominance.

We cut to the backstage area where Cecily Golding has put on a detective hat and is inspecting the remnants of the blown up present.

CECILY GOLDING: "Someone tried to kill you Brennan, and most important, they almost got me."

BRENNAN DEVLIN: "Hey, hold on, most important?"

He eyeballed her as she studied it.

CECILY GOLDING: "Shh, you worry about getting me a replacement present, I want money and power. Now, who do you think tried to kill you? And don't say the Russians."

BRENNAN DEVLIN: "I think it was a talking dog."

CECILY GOLDING: "You let Cecily handle this, you stop being dumb and go buy me replacement stuff. Go."

She sent him off as she pulled out a magnifying glass from underneath her top, why was it there, who knows and began to study.

CECILY GOLDING: "Hmm..."
