Abstract

.....

The research Finding

1.

2.

3.

Keywords:;; //3-5 keywords

Introduction

.....

Research Objectives

1.
2.
3.

Literature Review

1. Concept of

.....

2. Concept of

.....

3. Concept of

.....

***In-text citation**

1. Books – (Johnson, 2025: 55)
2. Journal Article – (Johnson, 2025: 1-12, ออนไลน์)
3. Research/Dissertation/Thesis – (Johnson, 2025: 25)
4. Online Contents – (Title Name, Online) – (Lanna History, Online)

**** If there are more than 3 authors in one article, Please specify the name of the first author then et al. Example: (Johnson et al., 2022)**

Research Methodology

1. Research Design

This research is a...

2. Population, Sample, and Key Informants

2.1 Population: ...

2.2 Sample: ... Please explain how it was obtained...

2.3 Key Informants: ...

///If any part can be omitted (e.g., if your research is solely interview-based, omit "Population" and "Sample," ensuring consistency with your research).

3. Research Instruments

//Please specify the instruments clearly according to the following points:

3.1 Instrument Construction

3.2 Instrument Validation

4. Data Collection

...

5. Data Analysis

...

Result

The researchers then presented their findings as follows:

Result of research point 1 found...

Result of research point 2 found...

Result of research point 3 found...

Discussion

Based on the research findings, the researchers discussed the results as follows:

From the research results according to objective 1, ...present the research findings... which are consistent with/which are different from... (present the information as it appears in the research document)...

From the research results according to objective 2, ...present the research findings... which are consistent with/which are different from... (present the information as it appears in the research document)...

From the research results according to objective 3, ...present the research findings... which are consistent

with/which are different from... (present the information as it appears in the research document)...

New knowledge

.....

Figure 1 New knowledge

(Sourch: Author name, year of article) Example (Sourch: Panya Sunanta, 2025)

Conclusion

.....
