

# Barrelling towards the Rebellion

## **WHAT ARE WE DOING?**

- Rebels standing on barrels in the middle of Old Market Square with fossil fuel-themed face masks holding placards.
- Pods of 6 Rebels weaving, socially-distanced, around the square waving colourful XR flags.
- Band of Outlaws samba band waking people up with their drums.
- Rebels signing people up to the XR Nottingham mailing list and explaining that we have a **REBELLION** on its way!!!

 **WHY?** Mobilise, mobilise, mobilise!!! This action is designed to get new Rebels into our group so we can be ready to deliver our message to our government in just **7 weeks** time : **'We want to Live'**

 **WHEN?** 12 noon - 2pm on Saturday 18th July.

 **WHERE?** Meet in front of [Barclays Bank](#) (High St., NG1 2EN)

- **Stand on a barrel** (Wearing a (pre-sanitised) fossil fuel-themed facemask and holding a placard! If you would like to take on this role, please come dressed in black - it'll look way better on photos!)
- **Be a generally amazing human being** who is not taking the threat of human extinction by sitting down on their sofa
