JOIN US AT THE

WOMEN IN LEADERSHIP FORUM

WIL is co-hosting an Ideathon to raise awareness of accessibility and inclusion in the workplace. In the United States, about 1 in 4 people live with a disability and often face many challenges and barriers in their workplace and community settings. We invite you to use your creativity, passion, and expertise to design scalable solutions that organizations can implement to address barriers, increase access, and promote inclusion for Persons with Disabilities (PwDs) in the workplace.

TIMELINE:
