

RESOURCES TO LEARN GERMAN

By: Team Malengo

Greetings, Scholars! We present to you a resource document aimed at enhancing your learning experience. Kindly note that this is a work in progress, and we will continue to update it. While we acknowledge that accessibility may vary for some of these apps, we encourage you to explore these options. We hope you find these resources valuable on your learning journey! Tschüss! :)

Language Apps

Here are some language apps you can make use of to learn the language and retain/refresh your memory:

- **Duolingo:** Duolingo is a gamified language-learning platform with courses in over 40 languages. It offers interactive exercises and a leveling system to keep learners engaged and motivated.
- **Memrise:** Memrise is a language-learning platform that utilizes mnemonic techniques and spaced repetition to help users memorize vocabulary effectively. It offers courses in multiple languages and incorporates multimedia elements to make learning engaging and memorable.
- **Quizlet:** Quizlet consists of various vocabulary sets and includes a flash card format for memorizing.
- **Langster** - Includes reading short stories including voiceovers, and a read-along. Enables you to click on words to understand their meaning + has quizzes to test your knowledge.
- **Babbel:** Babbel is an online platform focused on practical language skills for everyday conversations. With courses in 14 languages, it provides interactive
- **Tandem:** tandem.net is an application for iOS and Android operating systems that connects language learners with native speakers. Members can search for

language partners and communicate with them via text and audio messages or video calls. There is a **free version** that you can make good use of!

Youtube Channels/Websites

Here are some Youtube channels to guide you through grasping the language as a whole. Please focus on German grammar since it can be tricky as you gradually move to higher levels.

Goethe Institut:

- Free classes and materials, some prepare explicitly for nursing:

Spotify Podcasts

These podcasts may not be accessible to everyone, but Spotify is free unless you do not want to hear the ads. If you do not want to hear the ads, know that Spotify offers a student discount (at least in Europe). I'm not entirely sure about the terms and conditions of Spotify in Uganda. I would highly recommend podcasts in general since you can listen to them anytime and just go about your daily activities - especially for conversational German! :))

- **Coffee Break German** - Learn German in coffee-break lessons from the Radio Lingua Network. In each lesson we'll focus on the language you need to know and before long you'll be making yourself understood with native German speakers.
- **Easy German**: On the Easy German podcast, we discuss topics from Germany and around the world, explain words and expressions, and answer your questions. Members get full transcripts, our exclusive vocabulary helper, and bonus content for each episode. Learn more at [easygerman.fm](https://www.easygerman.fm)
