

Moon EX Battle Stage: 3 Star Strategy

Note 1: This is not a Perfect Strategy, If RNG is bad enough, L1 Reisen or E9 Remilia may get KO'ed or Things may not go as wanted

Note 2: If Boost amount not specified, It means do not boost(even if you can)

Note 3: Beyond Turn 1, Graze Only *ONCE* and when necessary(don't graze if everybody is going to be gauge broken and/or full broken)

Characters:

Reisen[L1](Front Guard 1)

Sagume[B3](Rear Guard 2)

Reisen[A8](Front Guard 2)

Rin[L1](Rear Guard 2)(OPTIONAL)

Remilia[E9](Front Guard 3)

Hina[L1](Rear Guard 3)

Remember These Highlight Colours

All These Characters Must Be Level 100

Rank for all except Hina and Rin, should be Rank 4 or Rank 5

Awaken should be above 2 Stars at least(Preferably 5 Stars)

Turns:

Turn 1:

- All Use Skill 1
- Graze 1x[Both Reisens]
- Graze 2x[Grazing Once has a risk of E9 Remilia dying Turn 1 or 2]
- All Boost 1x
- All Use Spell Card 1 or 3[Target: Rabbit 1[Top], Iku[Middle], Any[All]]

Notes: Best if Iku uses her solo attack on either L1 Reisen or A8 Reisen. Rabbits(1 and 2) will **ALWAYS** use their All Attack

Turn 2:

- Use Spell Card 2 or 4[Target: Rabbit 1[Top]]
- Use Spell Card 2 or 4[Target: Iku]
- Use Skill 2
- Graze 2x
- Boost 1x
- Use Spell Card 1 or 3[Target: Any]

Note: Best if Iku uses her Spell Card[Solo] on either L1 Reisen or A8 Reisen

Turn 3:

- Switch
- Boost 2x
- Use Skill 2 and 3
- Use Spell Card 1 or 3[Target: Any]
- Use Remaining Skills
- Use Spell Card 2 or 4[Target: Iku]
- Boost 3x
- Use Last Word[Target: Any]

Note: Rabbit 1 and Iku should be gauge broken. Do not worry if Rabbit 2[Bottom] isn't gauge broken. All Enemies should be Full Broken however

Turn 4:

- Boost 1x
- Use Spell Card 1 or 3[Target: Any]
- Use Spread Shot[Target: Any]

- Use Spread Shot[Target: Rabbit 1]

Note: Rabbit 2 Should be gauge broken if not already gauge broken on Turn 3.

Turn 5:

- All Use Remaining Skills[including hina]
- Boost 1x
- Boost 3x
- Use Last Word[Target: Any][Both]
- Switch
- Use Spell Card 2 or 4[Target: Iku]

Notes: Rabbit 1 and 2 should be KO'ed before Hina uses her Spell Card, giving Barriers and More Importantly, Spell Cards back. Iku should be Full Broken by Hina's Spell Card[If not then you're very likely screwed]

Turn 6:

- Boost 1x
- Use Spell Card 2 or 4[Target: Iku][Who to Target will no longer appear as Iku is the only one who can be targeted]
- Use Spell Card 1 or 2
- Use Spread Shot

Note: Iku should be Full Broken and Gauge Broken to her last gauge[Green].

Turn 7:

- Use Focus Shot
- Use Spread Shot
- Boost 3x
- Use Spell Card 2 or 4

Notes: From Here to Turn 9, This is trying to 3x Boost Sagume[using Skill 2], It may and likely is possible to KO Iku using 2x Boost or if not, probably with help from A8 Reisen's Last Word. Do not worry if Hina only breaks 1 Barrier

Turn 8:

- All Use Spread Shot

Turn 9:

- Use Spell Card 2 or 4
- Use Spread Shot

Turn 10:

- All Use Remaining Skills
- All Use Last Word
- All Boost 3x

Note: You Should be done and There you go, Moon EX, 3 Stars

This Strategy was found and planned by Me, any similar strats are a coincidence.

This Strategy is Semi-Reliable and can be used for grinding, however take note that things may go wrong due to really Bad RNG

THE END
