# B I N G O

		WE  MATH 		

RANDOMLY fill in the following 24 words - make sure you mix them up so you have a different board than everyone else!

Degree	Quartic	Remainder Theorem	Factor Theorem	Vertex
Difference of Two Squares		Axis of Symmetry	Zeros	Parabola
Perfect Square Trinomial		Vertex Form	Intercept Form	
Standard Form	Imaginary number $i$	Determinant	Transpose	
Identity	Feasible Region	Constraints	Objective Function	
Linear Programming	Profit	Domain	Range
