Superintendent – Patrick Murphy

We are very excited to announce that the Milan Community School Corporation has partnered with FinalForms, an online forms and data management service. FinalForms allows you to complete and sign academic and athletic forms for your student(s). The most exciting news is that FinalForms saves data from year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your student(s), saving you time.

You may review your data at any time to verify it is current. You will be required to sign your forms once per year and after any update.

All current parents with the District will receive a confirmation email from FinalForms on May 1st.

Click on the Parent Playbook to get started in FinalForms.

As a note, all PASSWORD resets will go through the FinalForms website.

If you do not have access to a computer or internet at home, please call the building secretary at your child's school to schedule an appointment. They will be able to schedule a day and time for you to come in. If you have children in multiple buildings, you may register all of them at one time. If you have a new student(s) to Milan Schools, you will also have to schedule an appointment. **Important Notice: Submission of these forms does not guarantee enrollment for students residing outside the Milan School District. A transfer request will need to be filled out and approved by the building principal and superintendent before out of district transfer students can be enrolled.**
