Carrie Soto is Back, and the whole world is watching.

She was once the greatest tennis player alive: ruthless, relentless, commanding the sport worldwide. But six years after retirement, Carrie Soto has become a legend on the sidelines, her records eclipsed by a rising star half her age.

Now, at thirty-seven, Carrie launches the most unlikely comeback in sports history. With her father, a former champion, as her coach, she's determined to reclaim her title, no matter the cost to her body, reputation, or the game that once defined her.

As the spotlight intensifies and rivals close in, Carrie has to decide whether winning is the only way to prove who she is, or if her mark on history runs deeper than the scoreboard.

Bold, electric, and unflinchingly powerful, *Carrie Soto Is Back* is Taylor Jenkins Reid at her sharpest, now a major Netflix limited series.

For fans of gripping sports dramas, strong heroines, and stories that redefine what it means to be the best.
