

WELCOME TO THE CHAPELHOUSE FAM!

We could not be more excited that you & your family are joining us for the upcoming Fall 2025 Semester! These next few months are going to stretch your children as performers, leaders, friends, and as PEOPLE!

We are beyond blessed to have the opportunity to work with every single family that walks through our doors. At Chapelhouse Studios, we believe that every child is a unique creation, gifted with talents waiting to be discovered. Our dedicated team of experienced instructors is committed to helping your children explore their artistic passions and develop their skills to their fullest potential.

We recognize that each performance is an opportunity to glorify the Creator and spread messages of hope, love, and inspiration. Our mission is to empower artists & performers to discover their God-given potential, and develop as fearless creatives. We strive to create a safe and nurturing environment where values of compassion, integrity, and kindness are not only taught but lived out by our instructors, staff, and students alike.

Again, we are beyond excited to have you as part of the Chapelhouse family. Together, let's cultivate a community where creativity, faith, and growth intertwine in beautiful harmony. If you have any questions, ideas, or simply want to connect, feel free to reach out to our friendly staff anytime.

Thank you for entrusting us with the privilege of nurturing your child's artistic journey. We look forward to creating, learning, and growing together at a studio where beautiful things happen!

Love, Stephanie and Joley

MONTHLY TUITION

- Class tuition is due on the 1st of the month Sept-Dec. August tuition is due on the 11th (First day of Fall Semester).
- All tuition payments will be made through your parent portal on Studio Director. You will receive a confirmation email after each payment.
- You can pay for future months in advance!
- To access your parent portal, visit ourchapelhouse.com, go to the navigation menu, click 'Enroll Now!', click make a payment.
- Unbalanced accounts will receive an additional late fee after 1 week.

PARENTS

- Parents are welcome to drop off, or stay during classes!
- We are in a smaller space, so in an effort to eliminate any distractions, and to allow students to fully immerse themselves in class, we have created a cozy space in our dance room designated just for our families - enjoy our wifi, coffee bar, read a book, or feel free to visit with those around you!

ATTENDANCE

- Attendance is super important when it comes to the success of your child's skills and performance!
- Chapelhouse Studios will not issue any refunds for missed classes caused by weather, illness, personal matters, etc...
- We ask that you let us know as soon as possible if your child will be missing class! There are no penalties for missing class (excluding mandatory rehearsals), we want to make sure you receive make-up material for your student!
- **Due to limited space, we ask that you wait in your car until at least 10 minutes before your class begins.** If you come in early, please do so quietly, and make your way to the room that is not in use to wait until your class begins. This honors the class that is currently in session and shows everyone mutual respect 💜

BAND APP

- Our main form of communication ***for students and families currently enrolled in classes*** is the BAND app. Parents and students with access to a device should be in class pages, as well as our General Information page.
- Chapelhouse Studios is not liable for any information missed that has been sent in the app, so please turn on your notifications and check the app frequently.
- It helps instructors a lot when you 'react' to a post! This shows us that you have received what we've sent. Please try to do this when you can!
- If you have any questions about BAND, please contact Stephanie or Joley.

WHAT TO WEAR/BRING TO CLASS

- Comfortable, breathable clothing your student is able to easily move around in. (T-shirt/Shorts/Leggings/Sweats)
- If your child wears a dress, please make sure they wear shorts underneath.
- Closed toed shoes - please no flip flops or slides.
- Bring plenty of WATER! We recommend investing in a durable water bottle that they can bring with them week to week.
- Class material! If you are given a script/music to take home, make sure you bring it with you to class the next week! Making sure your child has their class material is super important!

OTHER IMPORTANT INFORMATION

- Costume Fee due September 22nd (Exact amount is listed on your acc)
