About Lisa McMann & Matt McMann

Guest Speakers for Grades 4th-8th

LISA MCMANN is the author of over two dozen books for young adults and children. Some of her most well-known books are **The Unwanteds** and **The Unwanted Quests** series for middle grade readers. **The Forgotten Five: Map of Flames** was an instant New York Times bestseller in March 2022. It is the first book in Lisa's new middle grade fantasy series. It's about five supernatural kids who were born in a deserted hideout and abandoned by their criminal parents. They find a flaming map and enter civilization for the first

time in search of treasure...and they hope to find their parents, too. But they soon

discover that civilization is not kind to supernatural people like them. She now has three books available in this series, with a fourth due out in June 2024. Her stand-alone adventure book **Clarice the Brave** is another popular read. You can learn more about Lisa on her website at lisamcmann.com.

As a professional musician, **MATT MCMANN** played an NFL stadium, a cruise ship, and the International Twins Convention. Now he writes the kind of spooky mystery-adventure books he loved as a kid. He's hiked the Pacific Northwest, cruised Loch Ness, and chased a ghost on a mountain. While he missed Bigfoot and Nessie, he caught the ghost. He enjoys brainstorming new books with his wife, New York Times bestselling author Lisa McMann; viewing his son Kilian McMann's artwork; and watching his daughter, actor Kennedy McMann, on television. Visit him online at mattmcmann.com, and follow him on Twitter and Instagram @matt_mcmann.
