Veterans Day Heroes and Parade

October 30, 2026

Dear NP Families,

As we approach Veterans Day, we are excited to honor the brave men and women who have served our country. To celebrate their commitment and sacrifice, we are creating a Veterans Day Heroes Bulletin Board in our school, and we need your help to make it truly special.

We invite you and your family to fill out the enclosed sheet in honor of a veteran close to your heart. Please include a photo in the star, or decorate the star if a photo is not available. This could be a family member, friend, or neighbor who has served or is currently serving in the armed forces. Your stars will be proudly displayed on our bulletin board, recognizing the heroes within our community. Please contact your child's teacher if you need additional stars.

Along with this display, we are thrilled to announce a Veterans Day Parade in honor of all veterans in our community. We warmly invite all local veterans to join us on **November 11, 2026, at 9:30 a.m**. for an indoor parade around our school with refreshments to follow. This will be a meaningful opportunity for our students to show appreciation for the service and sacrifice of these heroes. Please use this link to RSVP as an honored guest who will participate in the parade: https://forms.gle/YLGXiQm93uASbZTS8

We hope you will take part in both the bulletin board project and the parade. Please return the completed Veteran sheets by **November 9th**, and feel free to share this invitation with any veterans you know who might like to join us.

Thank you for your participation and for helping us create a memorable Veterans Day celebration. We look forward to honoring our heroes with you!

Sincerely,

Allison Thompson
Principal
