|---------------|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|--------------------|
| <b>Week 1</b> | Briefing            | Upload our last semester design research methodology google drive link to Mr.Asrizal and study and analyze the MIB and start to work on the first exercise.                                                                                       | <i>Shawn</i>        |                    |
| <b>Week 2</b> | Briefing            | No show progress.<br>Start and continue to work on it for the literature review.<br>Booking consultation time with Mr.Asrizal for review of the work at week 3.                                                                                   | <i>Shawn</i>        |                    |
| <b>Week 3</b> | Review work         | Done review and receive feedback by Mr.Asrizal.<br>Now continue to work on the literature review.                                                                                                                                                 | <i>Shawn</i>        |                    |
| <b>Week 4</b> | Review Work         | I have given Mr.Asrizal a review on my work, I have done the literature review part and still continue work on it. After a review by Mr.Asrizal, Mr.Asrizal gives feedback overall is good and ok but still needs to catch up with some progress. | <i>Shawn</i>        |                    |
| <b>Week 5</b> | No Review Work      | Continue to work on the dissertation and refine some parts of the feedback given by Mr.Asrizal.                                                                                                                                                   | <i>Shawn</i>        |                    |
| <b>Week 6</b> | Public Holiday      | Holiday because of deepavali                                                                                                                                                                                                                      | <i>Shawn</i>        |                    |
| <b>Week 7</b> | Review Work         | Done review and getting feedback by Mr.Asrizal, overall the parts have done well, still have some middle part progress still working on it, Mr.Asrizal told me to do it ASAP and have time to check back overall the things.                      | <i>Shawn</i>        |                    |

|                |                                                              |                                                                                                                                                                                                                                                                                                     |              |  |
|----------------|--------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|--|
| <b>Week 8</b>  | Refine the writing paper                                     | This week is learning week so no class, I continue to work on my literature review. After getting some feedback from Mr.Asrizal at week 7, I focus on the feedback and try to change even though Mr.Asrizal said overall the writing flow is ok and good but I think I still have some improvement. | <i>Shawn</i> |  |
| <b>Week 9</b>  | Continue finalized the dissertation                          | no consultation this week                                                                                                                                                                                                                                                                           | <i>Shawn</i> |  |
| <b>Week 10</b> | Done the Draft literature review and checked the plagiarism. | no consultation this week                                                                                                                                                                                                                                                                           | <i>Shawn</i> |  |
| <b>Week 11</b> | Start working on flipbook                                    | Done                                                                                                                                                                                                                                                                                                | <i>Shawn</i> |  |
| <b>Week 12</b> |                                                              |                                                                                                                                                                                                                                                                                                     |              |  |
| <b>Week 13</b> |                                                              |                                                                                                                                                                                                                                                                                                     |              |  |
| <b>Week 14</b> |                                                              |                                                                                                                                                                                                                                                                                                     |              |  |
