

KJC Library rm 215 - Zoom Room

Big Screen on wall is a new Zoom Room

Zoom Room is a touch screen monitor dedicated for Zoom meetings. Some Zoom Screens have stylus located on magnetic strip on right side of Zoom Room TV or finger can be used

Power on Zoom Room from bottom-most button on back-right corner of screen

Person who is teaching the class starts Zoom Meeting from their own laptop and shares meeting ID with remote students as well as entering that meeting ID into the Zoom Room screen. Students in Zoom Room physical class do not join meeting on their laptops.

(See separate 'NYU Zoom Classroom Quick Start Guide for Faculty')

To join Zoom Meeting on Zoom Room screen, tap on "Join Meeting" and enter Meeting ID

Integrated microphone and camera automatically starts
