

CLASSROOM EXPECTATIONS

Cooperative

1. Follow teacher requests
2. Share equipment equally
3. Wait your turn patiently
4. Use polite words
5. Self control
6. Offer encouragement / help
7. Clarify directions & ask questions

Always Responsible

1. Have supplies ready when entering class. This includes headphone; sound from student devices without them often cause distractions and/or disruptions of the learning environment. If said student does not have a pair of headphones with them, they are to mute their device.
2. Bring their district issued device - fully charged.
3. Be attentive
4. Finish / turn work in on time
5. Sign in / out materials in an orderly fashion
6. Use equipment for educational purposes only
7. Close out programs, logout, put equipment away where it belongs, push in chairs, turn in name cards

Treating All With Respect

1. Sit in seats at specified times
2. Quiet while others talk
3. Use pleasant tone / expression
4. Give others personal space
5. Handle equipment with care
6. Use correct procedures for individual pieces of equipment

Safe

1. Six legs on the floor
2. Follow drills
3. Clean hands and equipment before and after use
4. Place all portable technology on a desk during use
5. Use equipment as directed by the teacher
6. Inform the teacher of any inappropriate usage of equipment

ADDRESSING STUDENT MISCONDUCT :

- Teacher is to address the expectations at the start of class.

What	W.	O.	R.	K.	S.	for
	WARNING	OTHER ALTERNATIVE	REVISIT WITH TEACHER	"Kontakt" FAMILY	SEND REFERRAL	you?
	Think about what you are doing. What was the behavior that needed a warning? This behavior cannot continue because...? Here's what will happen next if it continues...	Make a new choice, you can do better! Select one of the alternatives. (Level 1)	Ok, I'm going to help you make a better choice. What choices did the teacher/staff offer? (after several "revisits about the same behavior, a conference maybe needed) (Level 2)	Make contact with home and speak directly with a family member about behaviors that need changing for success. What was discussed? (Level 3)	Something needs to change. Event is documented in Skyward with a teacher or admin consequence. (Level 4)
