New Inquiry

- Fill out the New Inquiry form:

- a. Include as many details about your event as you are able to share at the time of submission.
- b. If you logged in under a previously used account, your organization's contact information will be automatically entered into your new Inquiry submission.
- Review your information and click "**Submit**" to complete your Inquiry.

NOTES:

- Groups that are **INTERNAL** to the University of Minnesota must select **YES** to the question: Is this a University Event?
- Please submit only **ONE** event inquiry request per event.
 - **Per event** refers to any sessions or overnight stays that fall under one Event Name, even if there are gaps in dates (e.g., leaving and returning) or if the event has separate sections.
 - For example: If your event includes multiple stays on different dates, these should still be submitted as part of the same inquiry if they are under the same Event Name and billed to the same department/organization.
 - Make note of the different dates in the comments section within the form.
- If your event spans multiple series of dates, use the following method:
 - Select the **first day** of all your dates of stay as your **arrival date**.
 - Select the **last day** of all your dates of stay as your **departure date**.

One Request Per Event Example:

Summer Conference:

Session Date 1	Session Date 2	Session Date 3
5/31 - 6/7	6/15 - 6/26	7/3 - 7/14

- The event's dates of stay would be **5/31 - 7/14**.

Our Conference & Events Staff will review your request and provide the requested information as soon as possible. If you encounter issues with the form, need to make any changes to your reservation, or have questions about your reservation status, please email us at uces@umn.edu.
