

Southwest Partnership Neighborhood Grants Project Timeline

*To edit this document please go to File-Download-Microsoft Word Doc (.docx) or
OpenDocument Format (.odt) and save to your computer*

Please fill in the below timeline with the steps you will take to complete your project.

- Remember: you have 12 months to complete the project
- Permits may be required and take time!
- Depending on the type of project you are working on you might not get a lot of work done in the winter

Timeline has to be submitted with the application for the project to be eligible for funding

Grants awarded June 1st
