### School Committees in Action: Littleton Case Study

**Objective:**

Students will identify and explain school committee roles and responsibilities through a recent school committee question about full day kindergarten.

**Directions:**

Read the two Littleton Independent articles on the issue of full day kindergarten. Then, read the summary of full day kindergarten.

Please answer these questions on a separate piece of paper or Google Doc.

1. Describe the issue at hand using the two *Independent* articles. In doing so, use specific details, including a dollar amount. Also, please note the year that these articles were published.
2. What were concerns raised by members of the school committee? Identify at least two specific concerns.
3. What course of action did the school committee eventually take? Again, please use dollar amounts.
4. Using the chart from “Strategies for Children”, what impact did the school committee’s decision have on Littleton residents? Again, use dollar amounts.
5. How does this issue demonstrate the roles and responsibilities of a school committee in Massachusetts?
