IRVINE UNIFIED SCHOOL DISTRICT 2025 - 2026 Pre-K Enrollment (students under the age of 4 only)

Our records indicate that your child needs one or more immunization doses to meet the California School Immunization Law requirements for school attendance. All immunization requirements must be met by your child's 4th birthday. If you fail to provide updated proof of immunizations, your child will be excluded from school 10 days after their 4th birthday.

Immunizations Required for Students Admitted at Pre-K:

- Polio (OPV or IPV) — 4 doses (3 doses OK if one was given on or after 4th birthday)
- Diphtheria, Tetanus, and Pertussis (DTaP, DTP, Tdap, or Td) — 5 doses (4 doses OK if one was given on or after 4th birthday, 3 doses OK if one was given on or after 7th birthday.) For 7th-12th graders, at least 1 dose of pertussis-containing vaccine is required on or after 7th birthday.
- Measles, Mumps, and Rubella (MMR) — 2 doses (Both given on or after 1st birthday)
- Hepatitis B — 3 doses
- Varicella (Chickenpox) — 2 doses

NOTE: If immunizations are given after June 6, 2025 please email records to DHSoffice@iusd.org.

PK Enrollment Immunizations Flyer

The [PK Enrollment Immunizations Needed By 4th Birthday Flyer](#) - informs parents of the requirements they will need to meet if their child is not 4 years of age at the time of enrollment. It gives advanced notice to parents to make arrangements with their physician/clinic office to meet the immunization requirements no later than 10 days after their child's 4th birthday or they will be excluded from school. These children will be enrolled and coded with a "V" status in Aeries. Our health assistants will follow up with these families once school starts.
