Children's House Supply List

Thank you for helping us prepare the classroom and support students' comfort and independence. Please bring the following supplies with you to the Open House so that your child will be ready for their first day of school.

One pair of inside shoes - Please choose a pair of clean, comfortable shoes that your child can *put on independently* and wear in the classroom. They should have a non-slip sole and fit securely on your child's feet (no slides or sandals).

One small cup - We ask that the cups be small (**around 8 oz.**) so that we have room for all of them on the shelf, water is not wasted, and any spills are manageable for the children to wipe up. They can be made of any material as long as they are able to go through the dishwasher to be sanitized. Please label either the side or bottom of the cup with your child's name.

Comfort Items - Please place the following items inside an envelope labeled with your child's first and last name. This is for the unlikely event your child needed to stay at school longer than expected. *These will be returned at the end of the year.*

- ☐ A reassuring note to your child.
- ☐ A family picture

Kindergarten only supplies

- **Lunch box** - Kindergarten students will bring lunch on their full days (M/T/W/F). Please use containers that your child can open independently.
- **Water bottle**

Our cubby space is limited. Please leave backpacks at home unless needed for an after school pick-up plan. Thank you!
