LIABILITY RELEASE

I, _____ hereby make application to participate as a member of Windlasses. I know how to swim, but will provide a LIFE VEST and whistle for use during my sailing activity. During all racing I will equip my boat with an attached painter at least the length of my boat. I will demonstrate that I have a reasonable amount of knowledge of sailing by sailing any course set up by Windlasses to test my skill.

I will exercise prudent judgment regarding my physical ability to participate in Windlass activities. If I choose to sail my own boat in the vicinity of the race course but do not race, I am on my own. I understand the mark/safety boat is to help racers first.

I, furthermore, release both the City of Dunedin and the Windlasses from any responsibility in the event of injury or illness (such as Covid-19) or accident to myself while using any boat or while on any property used by Windlasses in their sailing activity. I also understand that any Severe Damage to any boat is my responsibility and will be PAID BY ME.
