- 1. [FREE GIFT] how to correct Miracle "Mistakes"**
- 2. How to "control" miracles?**
- 3. [GIFT] how to get your brain into "miracle mode"**

We've all heard that miracles happen when we're...

"... in the right place at the right time..."

That's how people double their income "out of the blue", right?

NOPE.

No one knows the rest of the quote:

"Miracles happen when people notice then ACT on the right opportunities in their lives.

Being in the right place at the right time is actually all about...

Being in the right state of mind."

See, being in the right place at the right time only matters if your mind is primed to notice it...

AND if it's primed to **“take action”**.

That means that if you want to double your income...

First, your mind needs to be ready to recognize it...

Then take action when the opportunity comes.

That's how to make your own miracles.

Luckily for you...

Getting your mind PRIMED to notice and take action...

So you can double your income for example...

Has to do with **activating a very specific part of your brain**.

And it's never been easier to experience the miraculous...

By using a groundbreaking audio called The Golden Journey.

It's embedded with a secret frequency that gets rid of “Mental Wealth Blockers.”

Right now it's available as a free download, but only for a limited time.

Is that you?

It also works if you HAVE experienced a miracle... and just want more of them.

See, you CAN predictably experience miracle after miracle after miracle...

But ONLY if your brain is “primed” to see it coming your way.

The good news is you can actually prime yourself for miracles by activating a very specific part of your brain that gets rid of “Mental Wealth Blockers”.

Activating this part of your brain used to be physiologically impossible.

But I've just discovered a secret frequency that primes this little-known part of your brain...

And quickly removes those "Mental Wealth Blockers."

See, my friend David was there and he saw it first-hand.

The sign triggered an outpouring of financial abundance for him that shook him to his core.

David says that even though this sign appeared months and months ago...

This portal to abundance is still wide open and available to anyone.

From Name: Crash Crash

Subject:

- 1. How this car accident made him rich**
- 2. Car accident makes him filthy rich**

A car accident made David filthy rich.

But NOT because of an insurance settlement.

For David, it was much more of a gut punch than that.

Hey [FIRSTNAME],

It broke my heart when I saw David's story.

As you'll see, he lost his wife in a brutal car accident.

It came at the end of a struggle with scarcity that had brought his marriage to the brink.

His grief and shame led him on a journey to the darkest and loneliest place on earth...

Where he discovered a secret realm of abundance.

Access to this realm began to heal his grief...

While opening the door to unlimited abundance in every way imaginable.

What he discovered is that this secret realm is available to every single one of us.

And once you discover this one "key" that accesses it, this realm can catapult you out of scarcity in no time flat.

The good news is you don't have to travel to the darkest spot on the planet to discover it.

Email Swipe #3 - Secret Realm

From Name: The Key Holder

Subject: This Secret Realm of Abundance

Hey [FIRSTNAME],

Many traditions speak of a land of overflowing abundance...

With no sorrow, no pain, no sickness...

Where scarcity has been permanently banished...

And where abundance is the absolute law of the land.

Who WOULDN'T want that?

But these are just pipe dreams, wishful thinking, or fairy tales - right?

WRONG.

---> One man's story reveals just the opposite.

After getting hit with tragedy after tragedy...

Sinking deeper and deeper into scarcity, grief, and shame...

He journeyed to the literal end of the earth trying to escape.

But the Universe had other plans.

He discovered a secret key that accesses this realm of unbelievable abundance.

It makes "fantasy" a "reality."

This realm of abundance flows with cold hard cash...

Where beautiful homes, sexy cars, and exotic trips around the world are the norm, not the exception.

If you haven't discovered how to enter this realm of abundance...

Don't be too hard on yourself.

It's simply because you haven't discovered the key.

My friend David is the one who told me about this key to abundance.

Like I said, he literally had to "go through hell" to discover it.

He made a video that explains how you too can escape the "hell" you might be living through...

And start manifesting abundance starting as soon as today.

Subject: The “Secret Realm” that Manifests CASH In Hours!

Hi [FIRSTNAME],

David was a “starving musician” who struggled just to make ends meet.

Then, his wife died in a fiery crash that stole his heart from his chest.

His grief sent him on a journey to the darkest, dreariest place on earth where he discovered a secret realm of abundance.

This secret realm unleashed an ability to manifest healing for his grief...

But also an uncanny ability to manifest cold, hard cash.

---> David made a video where he reveals how to manifest \$500... \$1,000, or even \$10,000...

In a matter of hours...

But without the heartache and without having to travel to this “Dark Continent.”

Manifesting cold hard cash is simpler and faster than those Law of Attraction gurus say is possible.

Email Swipe #5 - Why

From Name: Manifestation Monster

Subject: Why some manifest thousands - and some don't

When it comes to manifesting money...

Why do some people seem to have the tiger by the tail...

Easily manifesting beautiful, cold, hard cash as if they had a magic wand...

While others can't manifest their way out of a wet paper bag?

One man thinks he's discovered the answer - while working at the world's most remote scientific research station.

And it has nothing to do with the Law of Attraction or what manifestation gurus try to sell you.

The answer appeared to him out of his own nightmare scenario where he found himself responsible for his wife's death.

But he also discovered it's based on the latest neurological research...
