Tabletop Gas Griddle (v1)

Tabletop Gas Griddle

Instructions for use

1. To light, turn on gas supply on gas cylinder.
2. Push in knob and turn anti clockwise to the ignition point.
3. Keep knob in until burner ignites. Repeat for all three burners.
4. If burner does not light turn knob back to off and repeat steps 2-3.
5. To turn off, turn all knobs back to off, turn off gas supply at the gas cylinder and leave to cool.
