Cell Phones & Earbuds at MAMS

Green Zone indicates cell phone (and earbud/headphone) usage is permitted and a Red Zone indicates cell phone usage (and earbud/headphone) is not permitted.

- All classrooms are Red Zones. A teacher, for educational purposes, may deem the classroom Green Zone.
- The hallways are Red Zones.
- The auditorium is a Red Zone.
- Bathrooms and Locker Rooms are Red Zones.
- The lobby and cafeteria prior to homeroom is a Green Zone.
- The cafeteria at lunch time is a Green Zone.
- Time after school is a Green Zone.

When a student enters any classroom his/her cell phone must be silenced, stored out of sight, and earbuds removed.

Consequences for not following the established rules:

1st offense: The cell phone will be confiscated by the teacher and the teacher will complete a disciplinary referral. At the end of the period the teacher will bring the cellphone to the office. Administration will process the referral and return the cell phone to the student at the end of the day.

2nd offense: The cell phone will be confiscated by the teacher and the teacher will complete a disciplinary referral. At the end of the period the teacher will bring the cellphone to the office. Administration will process the referral and a parent/guardian is required to pick the cell phone up from the main office.

3rd and Subsequent offenses: Same as 2nd offense, but student will be assigned detention. Additionally, the student may be required to store his/her phone in the office during instructional time.
