

June 5, 2020

Dear Centennial Families:

I wanted to reach out and let you know that I will continue to be here for your students and families as the school year comes to an end and throughout the summer. I will be available if your students are in need of mental health or emotional support, or if they are just having a difficult time. In addition, I am able to provide you with community resources to meet their mental health needs.

You can reach me by email: shannon.henry@centennialbroncos.org

Or by completing this form: <https://forms.gle/SEeGe4Dj9MZc6WQ8>

Hope your summers go well. Stay happy and healthy.

Shannon Henry, LMHP
