

Dear Families,

As we head into the season of unpredictable weather and sickness, we want to ensure a smooth transition to Non-Traditional Instruction (NTI) days when necessary. In the event of an NTI day, I want to provide you with clear expectations to support your child's learning.

Attendance:

- Just like a traditional school day, attendance will be taken daily and is required.
- Students are expected to participate in NTI activities and complete assignments.

Communication:

- I will communicate instructions and assignments through **Google Classroom** (click on 'Classwork' tab and NTI assignments should be listed at the top)
- Please ensure that your child is able to access and use the required technology for communication and learning.

Daily Schedule:

- Students are expected to report at **9:00 AM** for our morning meeting.
 - Students can find the link to the Google Meet on the NTI slides (NTI slides are located on their Google Classroom-Classwork tab-NTI Slides)
- Our office hours will be from 9:20-10:00 and if parents/students need to meet with their teacher after 10:00 they can request a meeting by emailing the teacher or sending a Thrillshare/Rooms message.
- **Contact information:**

■ **Mr. P-tony.perugini@bullitt.kyschools.us**

■ **Mrs. Knott-chelsea.knott@bullitt.kyschools.us**

Materials and Resources:

- Make sure your child has all the necessary materials and resources before the NTI day begins. Establish a dedicated space for your child to engage in learning activities, minimizing distractions.

Support:

- We will be available from **9:00-3:30** via **email and Thrillshare/Rooms** for questions and support.

Flexibility and Understanding:

- We understand that each family's circumstances are unique. If your child encounters challenges or if you have concerns, please communicate to find suitable solutions.
- Frequently asked questions-
