

What is the Yu-Gi-Oh! Archetype Tournament about?

Deck requirements have been made for most of the Yu-Gi-Oh! archetypes, all tournament participants must choose one archetype from the list and make a deck that meets the deck requirements listed. The

Archetype tournament is always hosted using the latest YGOPro Worlds Banlist, Archetypes deck requirements will be edited (requirements made easier or more difficult) depending on their overall win / loss records for this tournament format. Please see below the list of all the Archetype requirements, this list will constantly be updated with the latest Yu-Gi-Oh! archetypes
