A Pokemon Mystery Dungeon Zine

Current Phase:

Shipping Orders

♡ About ♡

This is a zine focused on portraying the world of Pokémon: Mystery Dungeon! It will be a scrapbook-esque zine to match the Bulletin Board/letters/Pokémon News features of the games.

We will be showcasing art, writing, and merchandise of the characters, locations, and plots of all Mystery Dungeon games, including every game up to this point!

This will be a SFW zine, only allowing canon-typical content such as battling and strife. In general the zine aims to be T-rated max.

♡ Zine Specs ♡

☆ This zine will feature artists, writers, and merch artists all creating content about PMD.

☆ The zine and its accompanying merchandise will be available in both physical and digital formats.

☆ This zine will be for charity. Project profits will be donated to the **Wildlife Conservation Fund**.

Outside of that they clawed their way into zines in 2022 through Fire Emblem and now plan to keep the ball rolling. They are particularly infamous for hoarding OCs. They've loved Pokemon since they bought their Gameboy Advance at 11 in 2006 and had Pokemon Ruby and Red Rescue Team — now in 2022 they're working on Rescue Team DX on the Switch!

☆ Revy will be providing feedback to art contributors and redlining if requested.

Mod Trace — he/they — Co-head Mod & Social Mod

Pokémon has influenced his art for well over a decade, and they’re honored to be working on this as their first Pokémon-related zine! Intern Mod Woodspixl — she/her — General Intern Mod

☆ Mod Woodspixl, aka Danielle (@Woodspixl_) is a crazy Wooper enthusiast who loves squares. Pixel art wasn’t always her passion, but after four years of playing with the medium, she fell in love. Woodspixl is fairly new to zines and is super excited to be more involved as community-driven projects are her favourite. Unlike pixel art, Pokémon has been a part of her life and since she played Blue Rescue Team on the Nintendo DS; it’s safe to say her favourite game title became the Mystery Dungeon series and she is eagerly awaiting an Explorers remake on the Switch.

☆ Woodspixl will be helping learn how to moderate zines by assisting the team where necessary, especially in shadowing Mod Revy with feedback to art contributors.

☆ Woodspixl has experience contributing as a page artist in the Pokémon zine “[Winds of Hoenn](#)”

☆ You can find her on [Twitter](#) and [Twitch](#)!

Mod Shi — she/her — Merch Mod

☆ Mod Shi (@shidreamin) is extremely excited to be modding her first Pokémon zine! She’s been a long time fan of Mystery Dungeon ever since she played Blue Rescue Team on the DS and cries every time she sees the [redacted] [spoilers] scene again. She’s modded 10+ completed zines and has been a contributor in many more! Also she likes emotes. A lot. ฅ(̳* ̳*) ̳* ̳♡.°

☆ Shi has been in way too many zines to list neatly. Send help. Have this [carrd](#) of all her mod experience instead!

☆ You can find her on [Twitter](#)!

Mod Fei — they/she — Layout Mod

☆ Mod Fei (@_feiyu) is a mixed-media artist with a love of paper. Pokémon Mystery Dungeon: Blue Rescue Team is probably one of their most cherished games from their childhood. They’re really excited to be working on a project that celebrates the series that touched them so dearly.

☆ Fei will be in charge of ensuring that the zine is formatted nicely and can’t wait to start!

☆ Fei has zine mod experience from:

“[Dracaena Somnolenta](#)” – Genshin Impact Kokomi Zine (Graphics and Layout Mod)

“[FEmme Fatale](#)” – Fire Emblem Anagonist Ladies Zine (Layout Mod)

“[Mystical Songstress](#)” – Fire Emblem: 3H Dorothea Zine (Layout Mod)

“[Of Mews and Men](#)” – Fire Emblem Cats and Men Zine (Layout Mod)

☆ Fei also has art experience in 50+ zines since 2020. This experience can be found in their [carrd](#).

☆ Fei can be found at their [Twitter](#) and [Instagram](#).

Mod Riley — he/him — Graphics Mod

☆ Mod Riley (@RChapple18) is regularly referred to as ‘the bean’ because it’s what he calls everyone to be neutral! His favourite Pokémon bean is Yamper (still trying to pull him on cafe mix though...) Riley loves cartoons, anime, Kingdom Hearts, gaming in general and is very much on the Pokemon Ranger remake train. Riley loves

the style of Mystery Dungeon, and can't wait to get sucked into all the exciting bits planned!

Riley will be making the zine's graphics.

You can find his Twitter [here](#), Instagram [here](#), and website [here](#).

Mod Gab —she/her — Shipping/Fulfilment Mod

☆ Mod Gab (@Ging33rsnap) is a graphic designer who loves to dive head first into zine projects. The PMD series is her favorite Pokemon spin-off series and she's so excited to be a part of the mod team performing her favorite role as shipping mod!

Gab will be handling the shipping and finance process of the zine.
